

# Virginia Leo

Composer · Sound Designer · Game Audio Professional

Lead Composer &  
Sound Designer

## *The Baby in Yellow*

- Viral indie hit by Team Terrible
- Hundreds of millions of downloads
- Live orchestral performances — Density512, Valley Symphony, UNC & APSU

## Profile

Virginia Leo is an Italian-born composer, sound designer, and pianist specializing in interactive and narrative audio for games, VR, and other media. Her work blends cinematic, orchestral, and hybrid styles, adapting fluidly across genres and game-play needs. Her credits include the viral hit *The Baby in Yellow* (Team Terrible) and *Wobbly Life: Space Update* (RubberBandGames). Her music has been performed live by multiple orchestras, and she has spoken at PAX, SXSW, IGDA, and other industry events, while actively mentoring within the game audio community.
